INFORMED CONSENT TO CHIROPRACTIC ADJUSTMENTS AND CARE

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays; on me (or the patient named below, for whom I am legally responsible) by the doctor of chiropractic named above and/or other licensed doctors of chiropractic who now or in the future treat me while employed by, working with, or associated with, or serving as back-up for the doctor of chiropractic named above, including those working at other Chiropractic Partners offices.

I have had an opportunity to discuss with the doctor of chiropractic named below, and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that as with the practice of medicine chiropractic carries some risks to treatment, including but not limited to, fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interest.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its consent, and by signing below I agree to the above named procedures. I intend this consent form to cover the entire course of treatment for my present condition(s) and for any future condition(s) for which I seek treatment.
